Parts of machine Mainly Body

Seals	Hallite (England)Original
Cylinder	China
Motor	China
Pump	China
Steel	Bao Steel
Hydraulic Part	Japan brand in China
Electrical components	DELIXI (Germany brand in China)
Tubing /pipe	China

Specifications :

- 1.This machine uses the equipment of two-cylinder balance compression and Special hydraulic system which make the power more stable.
2. The high load structure, automatic turn bag set, makes it safe and reliable.
3. The way to open the door in the right angle make it pack be cross.
4. The machine is suitable for the compression and packing of rigid plastics, Computer outer covering and related materials.

Model	NK080T80	NK080T100	NK080T120
Hydraulic power	80Ton	100Ton	120Ton
Packaging size (L*W*H)	1000*800*500-1000mm	1000*800*500-1000mm	1000*800*500-1000 mm
Feed opening size (L*H)	1000*500mm	1000*500mm	1000*500mm
Chamber Size (L*W*H)	1000*800*1500	1000*800*1500	1000*800*1500
Capability	3-6/hour	3-6/hour	3-6/hour
Bale weight	150-250Kg	200-350Kg	350-500Kg
Voltage	380V/50HZ	380V/50HZ	380V/50HZ
Power	11KW/15HP	15KW/20HP	15KW/20HP
Machine size (L*W*H)	1700*1200*3300mm	1700*1400*3300mm	1700*1400*3350mm
Weight	2800Kg	3200Kg	3400Kg

Our Service

1. Nick brand hydraulic baling press quality assurance for a year, long lifetime after-sales service.
2. Starting from the date of the delivery, excepted artificial damage, spare parts and natural disasters factor, We provide the repairing solution within 4 to 8 hours.

A, the warranty period:

1. the first step is we through the telephone technical support, our technical staff will contact operator who is near the machine, we give the best guidance if the phone can solve it , If the parts damaged , you can match a set of wearing parts you got if non-artificial damage accessories ,we will give you free parts for replacement. Such as phone technology won't solve, we can arrange door-to-door service. If the local customers, we are all in the door-to-door service in same day , door to door time according to the regional differences in general between 24 and 72 hours.(export machine does not exist in this scope)
2. belongs to the artificial damage, Nick will charge accessories parts fees and door to door transportation, artificial actual cost.
